1. In Tsuruga city, we provide a service that emails disaster information etc. to mobile phones and PCs registered in advance so that citizens can receive disaster information quickly and accurately. Please use it as a means of information acquisition at the time of disaster.

## 2. People who can register

Anyone can register as long as they can use e-mail with a mobile phone or PC.

## 3. Method to change / cancel

○ When you want to cancel registration

Please access the change / unsubscribe address for registered contents described at the end of the received mail and select unsubscribe. Shortly, the mail service deletion completion email will arrive and cancellation will complete.

○ When you want to change information content

Please access the change address of the registered contents described at the end of the received mail, select the change of the registered information, and change the information to be distributed.

○ When you want to change the registered e-mail address

Please cancel registration of the old email address, and then register with a new email address.

## 4. Precautions

○ Although registration is free, the communication charge required when receiving e-mail, etc. will be at the users cost.

○ This service email will be delivered anytime.

○ Before registering with this system, please set up to receive email from “en-bousai.tsuruga-city@raiden2.ktaiwork.jp”.

If you don't know how to set it up, please contact your cell phone provider.
